

AMERICA'S DRUG CARD PROGRAM PROUDLY HOLDS ITS 5th ANNUAL LEADERS' CONFERENCE IN PUERTO RICO.

America's Drug Card (ADC), whose parent company is National Benefit Builders Inc. (NBBi), honored its top leaders and rising stars on 10/22/2015 – 10/25/2015 at the Intercontinental Hotel in Puerto Rico.

The inception of the drug card program in 2009 was in response to the growing number of individuals who were uninsured or underinsured who needed help with saving money on their prescription medications. This program has allowed millions of Americans who might have gone without taking their medication to be able to afford their medications and to proceed on a path to wellness.

Currently, National Benefit Builders Inc. has over 1000 active representatives distributing the discount prescription drug card throughout the US and its territories and is a proud member of the Association of Discount Drug Card Organizations. (ADDCO)

National Benefits Builders Inc.'s mission is to provide the uninsured and the underinsured the ability to purchase prescription medications at the lowest cost, that will enhance their quality of life, as well as giving back to the community. In support of this mission, they hold the highest rating with the Better Business Bureau (BBB).

For additional information about the Discount Prescription Drug Card Program or other programs offered by NBBi, please visit www.nbbidirect.com or contact Michael Attardo, SVP Operations at 888-311-6224 x115 or mattardo@nbbicard.com.

About National Benefit Builders, Inc.

Established in 2001, NBBi is an industry leader in marketing and distributing discount networks throughout the United States. The major networks include a prescription discount program, and a dental / vision program. Products include: Americas Drug Card Program, Community Assistance Program, Dentachoice, Lifestyles, and many more national networks. The easy-to-use products help increase the affordability of healthcare to hundreds of thousands of people nationwide.
